There is no special homa on the first day as there are many activities on the first day. From the second day onwards the unique and authentic Vedic homas will be performed. Mankind can earn money, fame, position etc. However, it is a once in a lifetime divine blessing to be able to participate in such homas.
Whether you want to serve Sri Jaganmata on Navaratri or participate in Ati Rudram, if your birth-stars are vulnerable, you will not be able to do anything and will be left with a feeling of emptiness.

These eight unique and authentic homas, remove the terrible despair and dullness that currently encircles mankind, provides strength and courage and allows you to seize opportunities and manifest positive results.

The recent Shadgraha kootami (six planetary alliance) has not yielded good results for some birth-stars. Mars will be coming closer to Earth. Pancha Graha kootami (five planetary conjunction) and Chatur Graha kootami (four planetary conjunctions) are going to or have formed. As a result, three new kalasarpa doshas will take place with devastating results.

This new ‘emergency’ event was organized due to the fact that there is something ominous about these 27 birth-stars as they are about to shake up the global economy. Following the advice of many learned and eminent vedic scholars this program was designed suddenly to yield positive luck, prevent harm and illness to all of Amma’s children after recognizing the current situation and its severity.

In addition, for special protection, 9 types of Kavachams will be recited daily. The mantra prasadam, worshiped with the power of these Kavachams, will be sent to you as protection. No harm will come to you due to these kavachams.

Kavachams recitation during the Nakshatra Navaratri

With recitation of such powerful Vajra Panjara Kavachams, all untimely death/deaths can be banished. These kavachams can also burn dangers, disappointments and misfortunes, instantly. In these difficult times, it immediately bestows good luck, will remove misery, despair and sorrow.

These Nakshatra Navaratri homas will soften the severity of our upcoming period, reduce the intensity of this period and bring peace to everyone, individually and in the community. We pray that all the devotees participate in this program and banish your troubles, misfortunes and receive an abundance of blessings for prosperity.
