13th October 2020

With Motherly love and heartfelt affection, Amma is writing to all my beloved children,

The year 2020 has been extremely challenging and this month, October is even more a difficult period. I am deeply saddened to tell you that the pandemic has reached the remote forest hills of Penusila. The priests and their families, and the residents have also been seriously affected and are suffering with COVID-19

Keeping everyone's well-being in view and praying for your good health, Amma is asking that, you all shall celebrate festival of Navaratri at your homes. It is not right to invite some and not to invite others to the program. Amma is requesting you all sweet children, to stay home and watch all the 10 days of ceremonies and celebrations, that will be live streamed on Facebook.

Amma sincerely trusts that you will understand and continue to watch all the programs from the comfort of your homes'.

Wishing you all good fortunes and auspiciousness!

Abundance of love and blessings!

Amma.
