If one's mind changes then one will change; one could trouble oneself. Universal Mother is the one who is guiding you in the right path through life.</p> <p>What are the remedies that one can use to avert the negatives of these stars?</p> <p>The 3 stars in this zodiac will have many good fortunes but more misfortunes. The remedy for this is the following.</p> <p>During Navaratri abhishekam is performed with 1008 different sacred river waters. This is not for Divine Mother but for you. With the performance of these abhishekams, you will be released from many of the defects and feel relaxed, then your mind will guide you in the right path. Definitely wear red colored outfits. Definitely recite and chant the names of Sri Devi Khadgamala.</p> <p>Sponsor Chandi Homa for all the 9 days to remove your financial constraints and difficulties and to overcome your enemies. Because of this effect, their tasks are accomplished very slowly. Their mental inspiration is reduced. People with all these stars have only 2% respect and everybody including the family members will be indifferent to them. Nobody will respect you for your honorable age. You will have 6% of insults and disrespect.</p> <p>Due to the effects of Shani you will not have wealth. You will be left alone without any support from anybody. Due to these changing difficult times, you will be sinking into depression. You will be suffering from ill health due to constant fear and tension because of challenges from enemies and being without anybody's support. All your projects will be delayed due to slow progress.</p> <p>People in this zodiac with Shravana, Uttarashadha and Dhanishta stars should light 2 lamps with 5 different colored wicks in</p>

<p>MAKARA RAASI (CAPRICORN)</p> <p><i>continued</i></p>		<p>mustard oil in front of Sri Chakra for one whole year during the rahu kala time which occurs every day in the calendar year. (refer to vedic calendar for rahu kala timings)</p> <p>All the above-mentioned difficulties and challenges will be reduced. But due to Elinnaati shani (7.5-year period or saade saathi), if the people with any of these 3 stars sponsor and perform abhishekam in the sanctum sanctorum of Sri Devi early in the morning, Shani will not inflict pain on them. He will protect them from any accidents happening.</p> <p>If you want your Financial disputes and Court cases, and marital differences to be reduced and nullified, perform Govu/Cow puja and feed dates to Go Mata during this Navaratri time.</p> <p>Definitely sponsor Sri Chandi Homa this year as well and receive Universal Mother's excellent protection, the same way you will receive protection from untimely accidents and death by performing Sri Chandi Homa. You can get this excellent protection from Sri Durga only by doing Sri Chandi Homa and not by any other means.</p>
<p>KUMBHA RAASI (AQUARIUS)</p>	<p>Dhanishta — 3,4 Paadas</p> <p>Sathabhisha — 1,2,3,4 Paadas</p> <p>Purvabhadra — 1,2,3 Paadas</p>	<p>Financial earnings will be good. However, there is no peace of mind. While 5% of the time people will respect you, your own people will fight with you 6% of the time, and ridicule you. You will be tired of all this intolerable bickering and insults. You will feel extremely lazy and very angry. You should reduce your anger.</p> <p>In farming, you will reap good harvest but you will not earn much in return. You will put immeasurable effort into everything. You will be very impatient and hurt everyone with your speech. You will be very stressed because of contradictory situations formed in the family. There are a few stree shaapaas, curses stemming from women, for people with these stars: Dhanishta, Sathabhisha and Purvabhadra.</p> <p>To remove the sufferings in one's life both in business and at home, in marital disharmony - to reduce problems and commotion and irritations; and for those who are being verbally abused and are angry, it is not advisable to go your own way just because misunderstandings are arising between each other.</p> <p>Please look at the following remedy suggested for this kind of situation.</p> <p>Rudrabhishekam to the shivalingam and abhishekam to Sri Devi with 1008 waters from sacred rivers are performed during the 9 days of Navaratri. The serpents swirled around the shiva lingam are positively charged with mantras and powerful sacred waters used during the shiva abhishekams. These serpents are symbolic of human desires which are subdued or controlled and neutralized. This ritual is called Naga vashikaranam, which when performed brings down the differences between husband and wife, and restores the marriage.</p>

<p>KUMBHA RAASI (AQUARIUS)</p> <p><i>continued</i></p>		<p>Light 5 lamps with 5 different colored wicks (no black colored wicks) dipped in coconut oil between 6 AM - 7 AM during the 10 days of Navaratri and in the evening after an evening bath,repeat the same ritual and continue to do so for 6 months. By doing so, you will attain the yoga of the 5 planets and you will find harmony between husband and wife, who will mingle with each other like honey in milk, and all the commotion will reduce.</p> <p>When the wife being the owner of the house wears her anklet and roams around, the soft jingling sounds of the anklets feel as if they are inviting Sri Maha Lakshmi into the house. Whoever lights 10 lamps for six months, that house will become the residence of Sri Maha Lakshmi.</p> <p>Because of the defects in these stars one lags behind in everything one does. During this period of Navaratri, perform kumkumarchana with Sri Devi Khadgamala Stotram. Offer a red sari and red dhoti to Divine Mother and Sri Chakra as naivedyam and then wear those clothes as prasad after the puja. If you do so at least 10% of your problems due to the planetary defects will be reduced. Because of a defect in the 5th quadrant of the house, one cannot retain Maha Lakshmi in their possession.</p> <p>If you want to reap the fruits immediately, sponsor Chandi Homa every day for 9 days of Navaratri. Rahu and Ketu defects and curses will be burned to ashes by the performance of Chandi Homa, which is beneficial to you and your progeny. You will attain Dhana yogam. If you follow the above-mentioned actions, you will reduce your karma load and attain many benefits.</p> <p>Speak sweetly with your tongue, otherwise you will lose all relationships. Behave carefully with responsibility.</p>

<p>MEENA RAASI (PISCES)</p>	<p>Purvabhadra — 4th Paada</p> <p>Utharabhadra — 1,2,3,4 Paadas</p> <p>Revathi — 1,2,3,4 Paadas</p>	<p>On examining this raasi, it is found that this year their predictions are very ordinary and not particularly great. If there is only one person that is respectful there are 2 people to criticize and scold them. If the people with these stars earn 8%, their expenditure will be 11%. That means they are not able to control their expenses. They should plan their budget and spend economically.</p> <p>They have to be very careful and pay attention to the wellbeing of their children from the month of October to December. People with any of these 3 stars will have lifelong problems with enemies and moreover, they are experiencing elinnaati shani period of 7.5 years.</p> <p>Performing abhishekams to Sri Lalitambika seated on Panchabramhasana in the Sanctum Sanctorum during this Navaratri time will benefit you by eradicating these kinds of sufferings caused by Shani and enemies.</p> <p>Performing abhishekams to the panchamukha shivalingam swirled with the serpents will suppress the suffering from shani and give you ultimate protection. So therefore, by sponsoring the Sri Devi and Shiva abhishekams for all the 10 days will negate all the above-mentioned pain and challenges.</p> <p>If you want peace of mind, wealth and progress in life, you must first remedy the defects. Sri Chandi Homam is the only remedy and means for all your problems and defects. "Sapta Shati" chandi homam is the biggest and best medicine for the 7.5 years period of the defects of Shani.</p> <p>To be able to perform chandi homam is a blessing. So, what you need at this time is not wealth but more importantly, the merits from your previous births, cumulative merits acquired from your lineage and astrological merits. If these merits are in agreement, only then you will get the mindset to sponsor and perform this powerful Chandi homam. If not, you wouldn't even think about it. You can always earn money, but you cannot avail the opportunity to participate in this Navaratri.</p>

NAVARATRI SRI CHANDI HOMA

For these 10 days, Chandi homam will be performed on a grand scale by the Vedic pandits which is impossible to describe. If one wants to participate in this grand event, one has to have the great merit of having all favorable circumstances to make it possible. This is called Punya yogam.

Why should one do Chandi homa? Because, of all the worships, Chandi homa grants immediate reward of Chandi shakti. Chandi homam will remove any obstacles to your children's progress. Sri Chandi homam will burn your sins to ashes of innumerable lifetimes.

It will also remove any ancestral defects. Before doing any homa, the performer has followed strict rules of niyama and nishtha, done thousands and lakhs of different mantras before sitting in front of the fire in the homa pit. Sri Chandi homa beats and chases away the divinities of apamrithyu- untimely death.

While the abhishekams done for Sri Devi removes the dangers relating to water and air disasters, Sri Chandi homa burns up sins accumulated from many births and eradicates dangers from fire. She is sarva roga nivarini, remover of all diseases.

When we do Chandi homa, she destroys mental and physical ill-health that were caused due to curses and sins. Sri Chandika Devi grants new power and inspiration. Sri Chandi Devi prevents sudden death, like accidents caused by vehicles, and does not let death come anywhere near you. Divine Mother is the mrityu samhara devata- destroyer of death itself.

This great homa, for Divine Mother who shines in the brilliance of million Suns, is performed according to traditional Vedic rituals, and grants wonderful yoga of victory. No matter where you are or in which country you are, during this Navaratri, definitely wear a red dress as it will multiply your efficiency. No matter how much darkness is in your life, Devi who is the brilliant light of a million Suns, will dispel that darkness.

We have the opportunity to sponsor and perform these homas at this time of kala sarpa dosha at the auspicious time of Navaratri. By doing these homas, we will get rid of Alakshmi yogam and attain special Dhana yogam. Because of these homas, financial problems will be reduced. Devi will protect you and your children from any calamities happening. There's nothing equivalent to Navaratri vratam in granting you shakti, immense power.
