Jupiter, Saturn, both together in Capricorn will cause more atheism in the world this year. Most difficulties will be reduced if there is Gurubalam (strength of Jupiter). For example: uterine diseases for women, severe financial distress, panic attacks will continue for many crores of people until Feb 15th next year. "Uttare, Pratyuttarechaiva" - who does what with his hands; It means that we will experience the karma we have done. " Yat karma tat phalat". 23rd July 2021 Friday, 6th day, Chaturdashi - until 10.01 am. Friday morning from 10.02 Guru Purnima. The Star on this day is Purvashada, begins at 2.57 am.

Since tithi of this morning is Chaturdashi, this day is considered by some as Chaturdashi; thus, the full moon tithi begins on the morning of the 24th July, considered as full moon day. Hence this day is seen by some as the Guru Purnima day. However, the full moon ends at morning 8.08 am on Saturday.

That is, the full moon day begins at 10.02 am on Friday and ends at 8.08 am on Saturday. For this reason, we will complete all the morning sevas to Gods and Goddesses by 8am on Saturday in the temple. Then the Chandi homa must be performed, followed by full moon day special abhishekams to all gods and goddesses in Sri Manidweepa. For that reason, Sri Chandi Homa will be performed on Friday at 10.30 am, the early hours of Guru Purnami, it is a very powerful time. So, doing homa at that time gives a very great result. Performing Sri Chandi Homa on Guru Purnami gives miraculous power. Thus "**Guru Purnima on Friday the 23rd**", the Sri Chandi Homa which begins at 11 am on that day, will be completed with Poornahuti at 1.30pm.

23rd evening from 7 pm - 7.30 pm Amma's discourse. Guru Purnami - Paramapujya Sri Mathrudevi Karunamayi Amma - Sri Pada Pooja will be performed from 7.30pm to 8.30pm. Blessed are those who witness this Guru Pada Pooja program. Karunamayi Amma, the KailasaVasini(Goddess who resides on Mount Kailash), Kalpavriksham (wish fulfilling tree) of the Earth for all, at this time of her descent into this world; we are very, very lucky to be born as human beings.

We worship the divine lotus feet of the goddess who herself is 'Gurumandalarupini' (She who embodies in Herself the lineage of Gurus). What more could you want for this human birth? All are invited to witness the glorious Guru Purnima Celebration virtually.
